Aqeeda e risalat in urdu pdf download aqeeda e risalat in urdu pdf download Q: Constraint for fixed height div Here is the HTML: content content Here is the CSS: `.row{ min-height: auto; height: 100%; border: 2px solid red; }` There is a border at the bottom of the screen that covers the full height of the body, but when I add a max-height I am able to force the content div to be a certain height and not overlap the border with a sticky footer. How do I fix this? Update: Here is my desired scenario: I want the border to continue along the top and bottom of the page The content div should be a certain height, but it should force the other div to stop at the border height, without overlapping. A: Simplest solution is removing the bottom border on the row. `.row {`

border: 2px solid red; } .bottom-border { border-bottom: none; } content content Similar to @JeremyB's answer: remove the bottom border on.row, add a border in the.bottom div to stop it from flowing over, and add a negative margin to stop it from overlap on the border. .row

E Risalat Aur Aqeeda Khatme Nabuwat By Mufti Muhammad E Risalat Aur Aqeeda Khatme Nabuwat By Mufti Muhammad Tasadduq.pdf Download E book PDF: The book is the third post-mortem work of the scholar Muhammad Tassaddduq al-Hindi and was written in 1932. The latter's other two post-mortem works are "Al-Ahkam al-Mohabbat" and "Hukm al-Qismat", both published in 1938. Tasadduq himself sought to clarify some of the issues posed by previous scholars and to provide an exhaustive study of the Islamic law as it stood at the time of the compilation of his work. He aimed to clarify the various questions relating to the implementation of Islamic law in a number of

different spheres, especially that of salat, various matters related to marriage and divorce, military service of Muslims, the rights of a Muslim male to guardianship of a Muslim girl, the issue of Muslim female circumcision, the idea of din, the varieties of niqab and other matters. It begins with a detailed analysis of the overall structure and principles of the Sharia and various sects, followed by topics relating to jurisprudence, the attitudes of the various sects and their views on individual acts and their applications, the rationale of the different schools of fiqh and how that rationale has come to be adopted in present day Islamic thought, the usage of the Arabic language in Sharia discourse, the rules of hadith and the problems of authenticity of evidence and
