

[Download](#)

Contains thousands of images and audio recordings of native speakers. L-Lingo is designed to be easy to use. It uses multimedia channels - words, native recordings, language, music, images and voices (in Japanese, Spanish, Italian, German, French, Portuguese and English). L-Lingo is a unique real-time product of its kind, and it is intended for foreign language learners, language learners, language teachers, translators and businessmen. L-Lingo uses speech recognition technology to help you make your speech understandable and language learning enjoyable.
